

2010 N.E.A.A. National Specialty Auction

As the 2010 National Specialty Events week approaches it is time to start thinking about the fun we will all have at the traditional Auction!!! N.E.A.A. relies on donations from the membership to make the Auction a successful event. Proceeds are split up between Education, Research and Rescue, as well as the General Operating Fund. Are there any Norwegian, Moose or Norwegian Elkhound themed items you wish to donate? Or anything else that you feel is appropriate for the Auction. We will accept monetary donations too.

Please notify the Committee if you will bring donations to the National Specialty by April 25th. If you are unable to transport the items or are unable to attend the National Specialty, please send the items to Betsy Wade-Vaturro via the contact information listed below.

The N.E.A.A. and the 2010 National Specialty Auction Committee thanks you in advance for your generous contributions!
