--	---------	---------

The top twenty-five dogs are listed for each division, ranked in order by average score. The number of qualifying scores is used to determine ranking and is listed behind the average. Dogs must receive at least two qualifying scores to be eligible. In case of a tie of an average score, the dog with the most scores will be placed higher. If the number of scores are tied, the placement will be ranked by the dog with the most time under the Standard Course Time.
